

RICOH B&W LASER PRINTER

132 P

RICOH
imagine. change.

RICOH'S 132 P Black and White Laser Printer is a compact powerhouse that effortlessly integrates into any workspace. This printer ensures accessibility for all users and boasts lightning-fast first print speeds, delivering your monochrome prints with unparalleled efficiency.

Excellent Business Quality Printing

Experience business-grade printing excellence with the RICOH 132 P. Achieve rapid double-sided printing that consistently produces sharp, legible text and stunning graphics, meeting your professional standards with ease.

Flexible Connectivity

Stay seamlessly connected with versatile connectivity options that cater to both individual users and collaborative teams. Equipped with USB and Ethernet connections right out of the box, this printer ensures you're always plugged in. For wireless convenience, a Wi-Fi dongle is available for separate purchase.

Compact, Space Savings Design

Designed to maximize space efficiency, the RICOH 132 P features a compact footprint that easily slots into even the tightest of workspaces. With a front-loading tray and the option for a bottom tray, it adapts to your specific needs, making it an ideal choice for space-conscious environments.

Easy Set-up and Toner Exchange

Setting up and managing your printing tasks is a breeze with the RICOH 132 P. Enjoy a hassle-free configuration process that takes mere minutes, whether you're using it solo or sharing it with colleagues. Plus, the front cartridge change feature ensures a swift and convenient toner exchange whenever the need arises.
